Maine Equal Justice

Affordable healthcare for all where do candidates stand?

WHERE WE STAND

Maine people need more health care, not less!

Far too many Mainers cannot afford the care they need. The pandemic and recession has made the need more urgent.

Maine Equal Justice fights for universal health care, which means we look for ways to close gaps in coverage and make sure those who have the support of public health care programs, like Medicaid (MaineCare), **keep** that support.

We are working on bringing full dental care to Medicaid for Maine adults and creating more affordable options for Mainers who are immigrants – unfairly excluded from programs like **Medicaid**.

WHAT CAN YOU DO?

Ask your candidates where they stand

- 1 Do you support publicly funded **universal health care**, where all Mainers regardless of their ability to pay could see their doctor, afford a prescription, or get a needed test?
- 2 Will you work to ensure Maine adults with low incomes can get **full dental care** through Maine's Medicaid program?
- 3 Will you commit to addressing racial disparities in health care in Maine and **declare racism as a public health emergency** that demands real action?
- 4 Do you support **more affordable health care options** for our family, friends, and neighbors who are immigrants, and would you eliminate discriminatory policies that exclude them from health care coverage?
