

Maine's Medical Assistance Programs: Who's Covered?

Category	Benefit Level	Income Limit	Asset Limit	Notes
Children age Birth - 1	Full-benefit MaineCare	196% FPL	None	Children with income up to 161% FPL are eligible for <u>free</u> MaineCare; infants under 1 with income up to 196% FPL are eligible for <u>free</u> MaineCare. Children between 162%-213% FPL are eligible for <u>low-cost</u> MaineCare (with a premium from \$8-\$64 per month, per family).
Children 0 - 18	Full-benefit MaineCare	162% FPL	None	Children in higher-income families who have a serious medical condition are served under the Katie Beckett option. For the Katie Beckett option, only the income and assets of the child who has the disabling condition (not the parents' income or assets) are counted. There is an asset limit of \$2,000 for the child for Katie Beckett coverage. Full Cost Purchase Option allows families who lose coverage due to increased income to buy into MaineCare at a cost of \$250 per month per child for any months during the period of 18 months following termination.
Children 0 - 18	Full-benefit MaineCare	213% FPL	None	
19- and 20-year-olds	Full-benefit MaineCare	161% FPL	None	If child declared a tax dependent of the parents in the household then parental income is counted in most circumstances.
Children under age 26 who were in foster care in the State of Maine at age 18	Full-benefit MaineCare	No income limit	None	Must not be eligible under any other Medicaid category.
Adults ages 21 - 64 who do not have Medicare coverage	Full-benefit MaineCare	138% FPL	None	This is the Medicaid expansion category, which went into law on July 2, 2018. It was implemented on January 4, 2019.
Parents with children age 18 and younger at home or if an 18 year old will finish high school by age 19.	Full-benefit MaineCare	105% FPL	None	Transitional coverage: If family income goes over 105% of FPL and the family has earnings from employment, then the family will get an additional 6 months of "Transitional MaineCare" coverage. After the first 6 months, if income is below 185% of FPL, then the family may get another 6 months of Transitional MaineCare. If income goes over 105% of FPL and the family has income from child support, then the family will get Transitional MaineCare for 4 months.
Pregnant people	Full-benefit MaineCare	214% FPL	None	For the pregnant person, coverage continues for 2 months beyond the month that pregnancy ends. Coverage will continue longer if they meet criteria for another category. If the pregnant person had full-benefit MaineCare when the baby was born, the baby will be covered by MaineCare for at least 1 year.

Disabled adults and seniors age 65 and older	Full-benefit MaineCare	100% FPL	\$2,000 (\$3,000/couple) (Many assets are excluded.) Workers with disabilities: \$8,000 (\$12,000/couple) (Many assets are excluded.)	Full-benefit MaineCare “wraps around” Medicare. It covers nearly all Medicare costs, plus services that Medicare does not cover, such as transportation and long-term care services. Individuals who are enrolled in Medicare will need to be enrolled in a Medicare Part D prescription drug plan (PDP) and will get their drugs through Part D. Call the DHHS Pharmacy Help Desk at 1-866-796-2463 for questions about Part D. MaineCare Option for Workers with Disabilities: People with disabilities who work may be eligible for full-benefit MaineCare if their unearned income, such as Social Security income, is under 100% FPL and their total income, including earnings, is under 250% FPL. This category has premium between \$10 to \$20 a month for members with income over 150%.
Disabled Adults and seniors age 65 and older who have Medicare	Limited-benefit MaineCare	QMB: 150% FPL SLMP: 170% FPL QI: 185% FPL	Liquid Asset Test: Couple: \$87,000 Single: \$58,000	Medicare Savings Program (MSP, or “Buy In”): MaineCare will pay the Medicare Part B premiums for those below FPL 185%. MaineCare will also pay the Part A & B deductibles, co-insurance/co-pays for those below FPL 150%. MSP recipients will have no Part D premium deductible “donut-hole.” Co-payments are limited: \$3.40 generics, \$8.50 for brand name drugs. MSP Part D coverage includes Low Income Subsidy or LIS. If enrolled as of July, member keeps LIS rest of and subsequent year even if eligibility for MSP is lost
Adults living in Nursing Facilities	Full-benefit MaineCare	Gross Income must be below the semi-private room rate of the nursing facility in which the person resides.	Couple: \$15,000 Single: \$10,000	The person will pay most of their income toward the cost of care in the nursing facility, unless they have a spouse at home. The Member will keep at least \$40 per month for personal needs.
Adults who are living at home through the Home and Community Based Waiver. (Elderly, Disabled, Brain Injury, “other related conditions”, such as cerebral palsy.	Full-benefit MaineCare	300% of the federal SSI Benefit Amount	Couple: \$15,000 Single: \$10,000	This is a gross income test. The person will be able to keep income equaling up to 200% of the Federal Poverty Level and allowed deductions for medical costs. All other income will be used to pay for the cost of care. Income and assets of a non-waiver spouse do not count.

Adults living in residential care facilities, e.g. assisted living, other than nursing facilities	Full-Benefit MaineCare	Countable Income must be below the private pay rate for the residential care facility.	Couple: \$15,000 Single: \$10,000	The person will pay most of their income toward the cost of care in the residential care facility. Member will generally keep about \$70 per month for personal needs.
HIV-positive adults	MaineCare drug coverage and other limited benefits	250% FPL	None	Individual must be HIV-positive (with or without diagnosis of AIDS); coverage includes prescriptions and physician and hospital services. There are some limitations on services; copays are higher (\$10 per prescription and per office visit) than for full-benefit MaineCare. There is a limit on the number of individuals who can participate in the program.
Limited Family Planning Benefit	Limited	214% FPL	None	There are no age or gender restrictions. Applicant's household size always counts as one. Since the applicant is a household of one, only the income of the applicant is counted, even if the applicant has other household members with income.
"Medically Needy" or "Spend Down": persons whose income is too high for full-benefit MaineCare	Full-benefit MaineCare after a large deductible is met	None	\$2,000 (\$3,000 for some couples) (Many assets are excluded.)	The Medically Needy benefit primarily helps people with catastrophic health care expenses; participants must be in a coverable group (e.g. 65 or older, disabled, 20 or younger, pregnant, or the parent of a minor child); the deductible amount depends on income level; medical bills and other costs associated with medical care must have been incurred, but don't need to have been paid; certification is usually for 6 months. Old medical bills still owed can be applied to the deductible.
Disabled adults and seniors age 62 and older	Low Cost Drugs for the Elderly and Disabled (DEL)	185% FPL Allowed income increased by 25% if drug costs are high	Liquid Asset Test: Single: \$58,000 Couple: \$87,000	DEL covers: 1) 80% of generic drugs costs (member pays 20% and small copay); 2) 80% of drugs costs for 14 specific health problems (member pays 20% and small copay); 3) A small discount off the retail cost of many other medications; 4) A catastrophic drug benefit covers 80% of the cost of most needed drugs after the person incurs \$1,000 out-of-pocket using their DEL card (member pays 20% and small copay). Some drugs require prior authorization. Most individuals who are also enrolled in Medicare will need to be enrolled in a Medicare Part D prescription drug plan (PDP) and will get their drugs through Part D. Call the DHHS Pharmacy Help Desk at 1-866-796-2463 for questions on Part D.
Persons who do not qualify for full-benefit MaineCare	Maine Rx Plus	350% FPL (see notes)	None	People over 350% FPL will be eligible if they have out-of-pocket prescription drug expenses exceeding 5% of the family's income, or out-of-pocket medical expenses exceeding 15% of the family's income. Drugs listed as "preferred" on the MaineCare preferred drug list (PDL) are covered; savings are approximately 15% on brand name drugs and 60% on generic drugs.
